### PAST PERFORMANCE & PROJECTS

C&G Transportation Services has years of expertise in the transportation industry. For more information on C&G Transportation's past performance and projects, please reach out using the info above.

### CAPABILITY SUMMARY

C&G Transportation Services is a full-service trucking and transportation company with expertise in freight transportation, warehousing and distribution, logistics management, and dedicated transportation. Our fleet of trucks and trailers can accommodate any type of cargo, and our experienced drivers ensure safe and on-time delivery. Our dedicated transportation services can reduce transportation costs, improve delivery times, and increase customer satisfaction. Contact us today to learn how we can help your business succeed.

### COMPETENCIES

- Freight transportation expertise, including full truckload, less than truckload, and intermodal transportation
- Experienced drivers and well-maintained fleet of trucks and trailers
- Comprehensive warehousing and distribution services, including inventory management and order fulfillment
- End-to-end logistics management services, including analysis and customized solutions
- Dedicated transportation services for consistent and reliable transportation

### DIFFERENTIATORS

- Competitive pricing and transparent pricing model
- Advanced technology and tracking systems for real-time shipment monitoring
- Experienced team of logistics experts and customer support professionals
- Secure warehouse facilities with strict inventory control and temperature-controlled options
- Strong reputation for safe and reliable transportation and logistics solutions
- Sustainable and environmentally friendly practices, such as fuel-efficient vehicles and reducing carbon footprint.
- Over 12 years of experience in the transportation industry
